

July 6, 2021

Dear Supporters,

The Haywood Healthcare Foundation (HHF) Annual Charitable Golf and Gala event is an established tradition here in Haywood County that helps provide significant funding for Foundation initiatives. Over the last 29 years, HHF has contributed over \$14 million toward improving the healthcare in Haywood County.

This year, the Ladies and Men's Tournament will be on Wednesday, August 25th at Maggie Valley Club. The Gala, which is the highlight of the tournament, will be held at 6:00 pm to 9:00 pm on Wednesday, August 25th at Maggie Valley Club pool side.

In partnership with HHF, Haywood Community College (HCC) is excited to have the opportunity to construct a new Health Science Education building that will expand, enhance and modernize the student experience while supplying critical healthcare professionals for the region. The new building will provide 16,000 square feet of state-of-the-art spaces, doubling the space currently available for the HCC nursing program. Students will be educated using the latest technology and taught in labs furnished with new equipment, providing an exciting and relevant learning experience. The new building will provide the needed capacity to increase the number of students in the nursing and allied health programs. The total cost for the facility is approximately \$7.8 million and is being funded by public and private sources.

We greatly appreciate your support in helping to achieve our goal of providing a more modern and expanded facility at HCC to train the future nurses/healthcare professionals of Haywood County, as well as ultimately helping to address shortages in this critical field.

This year's initiatives are:

- HCC Health and Human Services Building
- Unrestricted Endowment Fund

The enclosed information contains details about the 2021 Golf Tournaments and Sponsorship Levels. Return your completed Sponsor Pledge Form by August 12th to receive full sponsor benefits.

Thank you so much for your continued support.
